8:30	All Bands															
9:00																
9:30																
10:00																
10:30															Session	
11:00																

Notes: The time referenced in the left column is the start time for the competitions that are along the line above the time. So, for example, 12-15 Fiddle Airs begins promptly at 9 a.m. Tir na nOg begins at 11 a.m. Time slots referencing "All" will include all age categories in a single time slot; otherwise numbers, such as 12-15 reference age categories of the players. O18 means over 18 years old. U12 is under 12 years old. For competitions with an A or B following the age category, the age group has been divided into two more manageable groups. The best of these players will compete in the finals for that category.

The time schedule will be strictly adhered to. Please be on time or risk disqualification. Competitors will compete in the order listed in the program.
